OBJECTIVE

Third-year Information Technology student with hands-on experience in backend development and a strong interest in project and service management. Seeking an internship opportunity to leverage technical knowledge while developing skills in project coordination, team collaboration, and service delivery in a professional environment

EDUCATION

Ho Chi Minh University Of Transport

09/2023 - 09/2027

Information Technology - Software Engineering

3.2 / 4.0

SKILLS

Backend	Node.js, Express.js
Database	MongoDB, MySQL
API Development	RESTful APIs, JWT Authentication
Frontend	React.js, JavaScript, HTML, CSS
Tools	Git, GitHub, Postman

PROJECTS

Perfume Shop - E-Commerce Backend (MERN Stack)

06/2025 - 04/2026

Tech: Node.js, Express.js, MongoDB, React.js

- Designed and implemented RESTful APIs for product catalog, user management, and order processing.
- Implemented JWT-based authentication and role-based authorization.
- Structured backend architecture to ensure scalability and maintainability
- Collaborated with frontend developers to define API contracts and improve integration efficiency
- Managed development tasks and ensured timely completion of project milestones

Github: <https://github.com/Ltuan126/Perfume.git>

Task management API

02/2026 - 04/2026

Tech: Node.js, Express.js, MongoDB, Mongoose

- Built API system for managing tasks, users, and workflows
- Designed database schema and handled CRUD operations
- Organized development workflow and prioritized feature implementation
- Applied structured coding practices to maintain clean and maintainable codebase

Github: <https://github.com/Ltuan126/Task-Management-API.git>

INTERESTS

- Badminton
- Music

ADDITIONAL INFORMATION

- Language: Vietnamese (Native), English (Reading technical documents).
- Available for: Full-time internship. Able to start immediately.
- Eager to learn new technologies and adapt quickly in dynamic environments
- Able to work independently and collaboratively in team-oriented settings.
- Detail-oriented with a strong sense of responsibility.
- Strong interest in project coordination and service delivery processes.
